

# THE WINE LIST

Vintage Seafood Friendly Reds

## PINOT NOIR

A grape that is light to medium in body, but completely full in depth and finesse. From Burgundy, the wine shows red berry fruit and earth which is echoed in Oregon and the Okanagan Valley. In wines from California and New Zealand, you will find a more medium bodied and fruit forward style.

## WINE DIRECTOR'S PICK

16		<b>Syrah</b> , <b>Laughing Stock Vineyards</b> , Hedge Vineyard, VQA, Okanagan Valley, BC, Canada			101
----	--	---	--	--	-----

The wine opens with a nose of dark chocolate cherry ganache, peppered bacon and black currents. On the palate, the wine has notes of ripe black cherries, bramble, charcuterie and a touch of sage.

## CHAMPAGNE & SPARKLING WINE

Bubbles are great in celebration or when enjoying a wide variety of foods. Try the charming bubbles from various regions of the world or go with the original that can only truly be called Champagne.

## ROSÉ

With one foot in the red world and one foot in the white, these dry style wines offer complexity, ripe fruit flavours, and are perfect for food pairing.

## RIESLING

A favourite among wine geeks, this wine can be dry, off-dry and all the way to sweet. Either way, the Rieslings of Germany, Australia and the Pacific Northwest are sublime in their lemony, peachy, mineral dance on the palate.

## PINOT GRIS / GRIGIO

Same grape, but very different styles. Light and friendly from Italy or fruity, slightly sweet & complex from the Pacific Northwest.

## GEWÜRZTRAMINER

Dry or off-dry, this aromatic white can be light to full bodied and still exhibit the floral juiciness of this varietal.

## SAUVIGNON BLANC

Originating in Bordeaux, this "wild white" grape is now planted in many of the world's wine regions, including the Okanagan Valley. These crisp, dry and refreshing wines can be very elegant and herbaceous or exhibit full, ripe, tropical fruit flavours.

## CHARDONNAY

This wine comes in a variety of styles from all over the world and can exhibit flavours ranging from crisp, fresh apple, citrus and melon when unoaked all the way to rich, complex buttery flavours when fully oaked.

## OTHER WORLDLY WHITES SINGLE VARIETAL

A selection of wines for those with bored palates or on the quest for something a little extra special.

## BLENDS

The art of blending yields a wine that is greater than the sum of its parts. Some grape varieties share a great synergy like the classic, time honoured blend of Semillon and Sauvignon Blanc. Often many great grape varieties will come together to create a unique and beautiful wine.
