PINOT NOIR

A grape that is light to medium in body, but completely full in depth and finesse. From Burgundy, the wine shows red berry fruit and earth which is echoed in Oregon and the Okanagan Valley. In wines from California and New Zealand, you will find a more medium bodied and fruit forward style.

WINE DIRECTOR'S PICK

16 **Austin Hope Winery, Cabernet Sauvignon** This wine expresses intense fragrances of black currants, cherries, and blackberries with subtle notes of violets, mocha, and dried spices. It's a big powerful modern-styled wine with velvety tannins and heaps of juicy blackberry and cherry fruit while nuances of cedar, clove and vanilla bean round out the long smooth finish. Delicious!!!
