## Vintage ● Seafood Friendly Reds

### PINOT NOIR

A grape that is light to medium in body, but completely full in depth and finesse. From Burgundy, the wine shows red berry fruit and earth which is echoed in Oregon and the Okanagan Valley. In wines from California and New Zealand, you will find a more medium bodied and fruit forward style.

### BLENDS

The art of blending yields a wine that is greater than the sum of its parts. Some grape varieties share a great synergy like the classic, time honoured blend of Cabernet Sauvignon and Merlot. Often many great grape varieties will come together to create a unique and beautiful wine.

| <b>WINE DIRECTOR'S PICK</b> |  |      |       |     |
| 17                          | Shaw + Smith, M3 Chardonnay, Australia - Astunning chardonnay for the intensity and complexity it delivers. The wine has a attractive flinty aromas aligned with peaches and nectarines. The palate has mouthwatering intensity with fresh acidity and very attractive fruit purity. |      |       | 84  |
